

YOUR SINGLE SOURCE FOR
STAINLESS STEEL PUMP PARTS

WHY DO BUSINESS WITH PROPART™?

PRICE:

Our prices average **25 to 40 percent less** than OEM (Original Equipment Manufacturer).

INVENTORY:

With a combined warehouse inventory of more than 1 million parts in stock for immediate delivery, there is no need to source from multiple vendors?

WARRANTY (SEE BACK COVER):

Our quality equal or exceeds OEM standards. We guarantee an exact match to OEM specifications in these areas:

- Fit
- Performance
- Material
- Balance

EXPERIENCE:

We have over 3,500 patterns and 85,000 drawings and are acquiring more every month.

- Bronze

With over 22 years in business, we are **Your Single Source for Stainless Steel Pump Parts**. ProPart™ was the first in the industry to dynamically balance all impellers to a G 6.2 specification. We offer larger sleeves and wear rings that are centrifugally cast for quality. Our inventory of more than 1 million parts is dynamic to suit your specific needs. This includes parts such as the following:

LIQUID END:

IMPELLERS, CASINGS, STUFFING BOX COVERS (CASE COVERS), WEAR PLATES (SIDEPLATES) & DYNAMIC SEAL PARTS: (EXPPELLER, STUFFING BOX HOUSING COVER PLATE, THROTTLE BUSHING, STATIC SEAL).

BARSTOCK ITEMS:

SHAFTS, SLEEVES, RINGS, SHAFT NUTS, FOLLOWERS, ETC.

MISCELLANEOUS:

GASKETS, O-RINGS, GLANDS, FASTENERS, LANTERN RINGS, BEARINGS.

OEM:

POWER END ASSEMBLIES, IRON PARTS, FRAME ADAPTERS, COMPLETE PUMPS.

We are a unique manufacturer that is also able to offer OEM parts and pumps through our established network of OEM distributors. Whether you are looking for Sulzer (Ahlstrom), ITT (Goulds & Allis Chalmers), or Flowserve (Worthington, Ingersoll-Rand & Durco), we can provide the parts you need.

PROPART™ GUARANTEES ALL PARTS
FOR ONE FULL YEAR FROM DATE OF INSTALLATION

WARRANTY

offers the most comprehensive quality assurance program in the industry. With the implementation of our QMS (Quality Management System), we have reinforced our commitment to superior quality control. We ask that you compare your OEM's written guarantee and with ProPart's.

We guarantee every part to fit exactly as original. Every ProPart™ goes through Quality Control and is checked for workmanship, dimensional fit, material specification, and balance prior to receiving our stamp of approval.

ProPart™ is the only manufacturer that offers a complete guarantee to match the performance specifications of the original part it replaces.

ProPart™ guarantees our parts from the date of installation for defects in construction or material. This guarantee does not cover normal wear and tear, or mishandling during storage. The warranty does not begin until the part is installed, even if it sits in your storeroom for years.
